## SHAPING THE FUTURE OF YOUR BANK

### EXECUTIVE PROGRAMME: A STRATEGIC BANK MANAGEMENT REVIEW

#### ORGANISATION SHEET

---

#### Context and Objectives

C-level executives, their direct reports and board members must move beyond “business as usual” to lead with greater transparency, accountability and efficiency.

We are, more than ever, in a period of deep and drastic transformational change. Many bankers have so many open issues on their table that sleepless nights are part of their normal life. It is therefore crucial for all Bank Leaders to be properly equipped for this endeavour in uncharted waters. Our Executive Programme should help you to shape the future of your bank.

By targeting critical challenges confronting today’s top and senior management and having governance as the central point, this programme has the following objectives:

- Re-assess the future of banking in the context of a fast changing environment;
- Provide a comprehensive review of all elements constituting governance;
- Share expertise on developing the strategic understanding of a good governance;
- Explore forward looking leadership behaviors styles to sustain business success;
- Enhance your ability to assess potential risk faced by your institution;
- Discuss the new trends in branch network management, in e-banking and new distribution channels;
- Discuss the international best practices in compliance, internal/external audit and control;
- Build a valuable network with international banks and institutions.

Guided by knowledgeable experts you will exchange experiences and ideas, discuss and challenge established routines. You will also be able to seize the interactions between different areas such as risk, compliance, governance and internal/external audit.

By the end of the seminar, you will acquire reliable knowledge and understanding of all these areas to support strategic transformation and decisions.
