

The training course was held within the Twinning project „Supporting the process of fiscal decentralisation through strengthening the capacities for sound financial management and internal financial control on local and central level“ organized by the Ministry of Finance of the Republic of Macedonia in cooperation with the Ministry of Finance of the Kingdom of the Netherlands.

The main objective of the training course was the participants of the 19 subjects from the public sector on central level to gain advanced knowledge over the internal audit:

- Internal audit
- The role of the auditor/types of audit
- Demand oriented audit methodology (DOAM)/Demand Oriented Audit Methodology
- Performing audit
- Reports
- Quality assurance
- Annual plans
- New trends
- Integrity of the audit
- IT audit
- EU funds

At the end of the training course all the participants were given certificates for participation.
