Dear Madam, Dear Sir,

The well-known CAMFIN seminar has been offering for many years a great opportunity to bankers from House of Training (ATTF) partner countries to deepen their knowledge in financial instruments and to benefit from the contact with Luxembourg bankers.

On behalf of the Luxembourg Ministry of Finance, the House of Training is pleased **to offer up to ten scholarships for this seminar** covering the tuition fees of 3.600€*.

This programme is developed by the House of Training Quality Circle in Capital Markets in collaboration with ICMA.

This programme is divided into 2 parts:

PART 1: E-Learning preparation course "International Financial Markets"

This preparation course will take place from the candidate's selection date until June 7th or October 11th, 2020.

The E-learning course "International Financial Markets", which focuses on the fundamentals of financial products, is a **prerequisite** for the programme "CAMFIN Certificate".

It will be available a few time before the seminar takes place. Participants will have access to the E-learning course on a 24/7 basis through the Internet for a period of 6 months. They will be able to log-on and log-off the course as many times as they would like.

The estimated duration for the E-Learning course is **approximately 10 hours**, which are divided into sessions of 30-40 minutes each.

The last chapter of the E-learning course is a final non-elimatory test. **Participants are required to take this course and pass the test** with a minimum recommended score of 60 % before the beginning of the part 2 (participants are allowed to retry the final test as often as they want).

- 1) from 8th to 12th June, 2020
