**Online “Capital Markets Back-Office Certification (CAMBOC)”
21 March – 1 April 2022**

Dear Madam,
Dear Sir,

You have been working in back-office for some time and would like to enhance your business knowledge of securities back-office but also to be exposed to operational risk management?

Fully understanding the logics behind the financial instruments and the consequences of the actions taken by the back-office is essential to lead to excellence.

In order to help you getting there, **the House of Training and the International Capital Market Association, Luxembourg** (ICMA Committee Luxembourg – www.icma-group.org) have prepared the perfect course for you!

By applying an innovative blended learning approach, the CAMBOC programme offers you the opportunity to become a fully skilled and knowledgeable back-office professional.

The programme combines 2 parts:

The E-learning course is a **prerequisite** for the “CAMFIN Certificate”. It will be made available a few weeks before the start of the online course. Estimated duration: 2 hours.

PART 2: Principal online seminar

The course will be delivered online in 8 sessions of 4 hours each, **from 21 to 25 March & from 28 to 30 March 2022**. The programme will end with an **online exam on 1 April 2022**. All successful candidates will be granted an electronic certificate of achievement.

This certification programme, supported by the **Luxembourg Ministry of Finance**, will be delivered by senior experts with an in-depth experience in back-office and willing to share their expertise in this field.

Up to 12 candidates will be selected among applicants from the different invited countries.
