**Online “CAMFIN - Capital Markets and Financial Instruments Certificate”
13 June – 29 June 2022 (exam 1st July 2022)**

Dear Madam,
Dear Sir,

For many years, the well-known CAMFIN seminar has been offering a great opportunity to professionals from the House of Training-ATTF partner countries to thoroughly deepen their knowledge of the international capital markets and of the financial instruments.

After a one-year break due to the pandemic, the House of Training resumed the seminar online in 2021 and we are pleased to announce a success rate of 94% and 100% for the two editions organized last year.

In 2022 the online programme will take place only once, in June, and will combine the following parts:

PART 1: E-Learning preparation courses “International Financial Markets” and “Financial Mathematics”

The E-learning courses are a **prerequisite** for the “CAMFIN Certificate”. They will be made available at the latest two weeks before the start of the online course (provided the contribution fees have been paid – see attached Financial Conditions).

Estimated duration:

- International financial markets: 2 hours
- Financial mathematics: 8 hours

PART 2: Online seminar

The course will be delivered online in 10 sessions of 4 hours each, **from 13 to 16 June, from 20 to 22 June and from 27 to 29 June 2022**. The programme will end with an **online exam on 1st July 2022**. All successful candidates will be granted an electronic certificate of achievement.

This certification programme, supported by the **Luxembourg Ministry of Finance**, will be delivered by senior experts with an in-depth experience and willing to share their expertise in their field.

Up to 12 candidates will be selected among applicants from the different invited countries. The selection will be made by the House of Training and its experts, according to the relevance of the participants’ profile (which will have to correspond to the programme target audience) and motivations. The participants are requested to have a **sound knowledge of English**. All the selected candidates will have to be equipped with a well-functioning microphone and a **webcam**.

We invite you to have a look at the attached documents to get more details on the programme and the financial conditions. In order to promote access to this unique learning opportunity, we have made sure that the financial support of the Luxembourg Ministry of Finance is kept at its highest level.

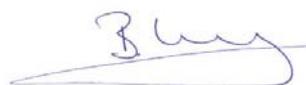

If you are interested in this programme, please fill in the attached application form and send it back to the House of Training-ATTF official partner in your country **by 22 April 2022, at the latest**. Please note that only fully completed forms (including clear motivations) will be considered.
