GRI (Global Reporting Initiative) – International Certification in Sustainable Finance 15 – 17 and 22 – 26 May 2023

Dear Madam, Sir,

The House of Training – ATTF is pleased to inform you that the Ministry of Finance of Luxembourg will support the participation of 16 professionals from its partner countries in this first edition of the multinational seminar **GRI (Global Reporting Initiative) – International Certification in Sustainable Finance**, which will be held online from 15 to 26 May 2023.

Facing new regulatory requirements and a growing demand for transparency, organisations of all sizes and sectors are strengthening their processes for measuring and valuing their extra-financial performance (ESG). Global Reporting Initiative courses are designed to develop the skills, expertise and know-how of sustainability practitioners and professionals. This training provides you with the levers to strengthen your compliance and enhance your non-financial performance. This certification is organised in collaboration with **Forethix**, a training partner of the Global Reporting Initiative since 2013.

If you are a professional who wishes to understand, master, and deepen the principles, methods, and practices of non-financial performance management, this training course is for you!

The course schedule and the selection process

The course will be delivered online in 8 sessions of 4 hours each, **from 15 to 17 and from 22 to 26 May 2023**. Once the training has been completed (mandatory attendance of the 8 sessions), participants will be registered to the GRI platform to have access to the exam. Further details on the exam and its organisation will be provided during the training.

Up to 16 candidates will be selected among applicants from the different invited countries. The selection will be made by the House of Training and its experts, according to the relevance of the participants' profiles (which will have to correspond to the programme target audience) and motivations. The participants are requested to have a **sound knowledge of English**. The selected candidates will have to be equipped with well-functioning microphones and **webcams**.

We invite you to have a look at the attached documents to get more details on the programme and the financial conditions. In order to promote access to this unique learning opportunity, we have made sure that the financial support of the Luxembourg Ministry of Finance is kept at its highest level.
