Experts

Mr **Shariq Arif** has been working in the field of personal data protection since 2016. He has leveraged upon his experience of over 10 years in Compliance, Operational Risk, and Internal Control to set up the personal data protection practice at Grant Thornton. He directs several personal data protection mandates across a wide cross section of industries. Where Grant Thornton Advisory acts as a DPO for clients, Shariq is the physical person communicated to national supervisory authorities, including the CNPD. Shariq leads a team of consultants that specialise in personal data protection. He has passed the Certified Data Protection Officer exam issued by the PECB and is also an ISO 27001 – Lead implementer.

Mr **Jean-Hubert Antoine** is a certified CISSP, CISM, C|CISO, CEH, ISO27005 Risk Manager, ISO27001 Lead Implementer, ITIL V3; Trainer CISSP, PECB (ISO27XXX) and Security Awareness. He has more than 25 years of experience in IT, and he is a specialist in Cyber-Security. He has more than ten years of experience in teaching.

Language

A good command of English is required.

Participants

Maximum 16 participants.

Duration, Dates & Time

6 sessions of 4 hours each.
On 30 and 31 May, and 1, 6, 7, and 8 June 2023
From 10:00 AM to 2:00 PM CET (Luxembourg time)

Platform and Technical Requirements

This training course will be held on the online platform **Webex**.

To join the course, the participants are required to have:

- A stable internet connection
- A device (preferably a PC) with a well-functioning microphone and webcam (mandatory to ensure a proper interaction with the trainer and the other participants)

In addition, the participants are requested to check in advance with their IT department that the IT security policy in their work environment, such as firewalls, allows them to access the online platform with microphone and webcam without any issues.
